

RIVER iGAMING AND MSI-PAY ENTER INTO PARTNERSHIP TOGETHER WITH StrateVic Finance Group

Malta 02.10.2019

RIVER iGAMING is pleased to announce that we are strengthening our already strategic partnership with MSI-PAY to also include a similar strategic partnership with StrateVic Finance Group.

This partnership will be supported by StrateVic`s BankT service E-Money and crypto licenses together with MSIPay`s newly developed and future oriented Payment solution aggregator and KYC solutions.

The partnership will provide River iGaming Plc and rest of the iGaming industry with remittance services, processing and corporate structures together with MSIPay`s payment aggregator. We are then able to provide a total financial structure for the industry, supporting the business operations and end customer deliverables within the entire sector.

MSIPay is also deeply involved in developing their new payment aggregator with River iGaming`s brand new technology gaming platform.

“We have been researching the market for quite some time looking for the right solution to complete our technology strategic set-up with MSIPay. We believe that BankT will be a perfect strategic partner to support our growth and quest to become a major player in the Industry.” Says Mr Staahle.
