

# River – Appointment of Chief Financial Officer and Chief Strategy Officer

Malta, 27 October 2021:

River Tech p.l.c. (the "Company") announces the appointment of Daniela Pulis as Chief Financial Officer and Shawn Bezzina as Chief Strategy Officer.

With effect from the 27 October 2021, the Company's current Chief Financial Officer, Shawn Bezzina, will assume the responsibilities as Chief Strategy Officer of the Company. This role enables him to focus on the continuous development of the Company's offering by formulating, facilitating and communicating the organisation's strategic initiatives and future goals.

Daniela Pulis shall take up the position as Chief Financial Officer also effective 27 October 2021. Daniela Pulis currently occupies the position of Director of Finance within the Company. She is a qualified accountant graduating from the University of Malta and prior to her current position, she worked as a manager in the assurance department at PricewaterhouseCoopers, with experience both in Malta and overseas.

CEO David Eynon comments as follows on these appointments: "Shawn has been an integral part of River Tech's success and the support and guidance he has provided have proven invaluable. His support will be even more crucial as he occupies the role of Chief Strategy Officer. As Daniela Pulis now takes on the position of Chief Financial Officer, we are excited about this progression which is testament to her diligent professionalism, quality and workmanship.
